Mr. L. A. Shelton, City Attorney
City of Glendora
313 First National Building
Pomona, California

Dear Sir:

At the meeting held on July 1, 1953, the County Boundary Commission reviewed the boundary description and map submitted by you with your letter of June 19, 1953, of the proposed annexation of territory to the City of Glendora.

Upon recommendation of the County Surveyor, slight revisions of the boundary description were made to provide the definiteness and certainty required by Section 35002 of the Government Code. Said revisions were in the wording of the boundary description and made no change in the location of the boundaries as shown on the map, except to change the width and length of Grand Avenue proposed to be annexed in accordance with the request contained in your letter of June 19, 1953.

With these revisions, the County Boundary Commission approved the boundaries of the above proposed annexation. A copy of the approved revised legal description is enclosed for your use. A revised map is enclosed for your use.

Sincerely yours,

Secretary
